EXPERIENCE

- Frontend Engineer** June 2025 – Present
Astrix Gurugram, Haryana
 - Building and scaling the Astrix event ticketing and community platform with React, Next.js, and Tailwind.
 - Developed reusable UI components and optimized state management for faster feature delivery.
 - Integrated APIs for payments, ticketing, and analytics to enhance user experience.
 - Collaborated with designers and backend teams to deliver responsive, accessible features.
- Software Developer** Sept. 2024 – Jun. 2025
Wasserstoff Gurugram, Haryana
 - Built responsive UIs with Next.js, TypeScript, and TailwindCSS, taking features from wireframes to production.
 - Integrated Mixpanel and Chart.js to deliver analytics dashboards, enabling insights into user behavior and event performance.
 - Automated workflows with Puppeteer, reducing manual effort and improving operational efficiency.
- Front End Developer Intern** Aug. 2022 – Feb. 2023
Devopskey Remote
 - Developed the frontend from scratch using React.js and TailwindCSS.
 - Enhanced Git proficiency by managing version control and collaborating effectively on projects.

PROJECTS

- Unsaid** [GitHub](#) [Live](#)
 - Developed a full-stack platform for posting and reading messages on a public wall with anonymous user support.
 - Implemented AI-based moderation using Gemini to flag inappropriate content.
 - Designed a responsive, neobrutalist UI with TailwindCSS and ShadCN for seamless experience across devices.
- FydBox** [GitHub](#) [Live](#)
 - Developed a full-stack platform for anonymous feedback with personalized links and QR codes.
 - Enabled users to manage and activate/deactivate feedback links, ensuring seamless message delivery.
 - Built a responsive, modern UI using Next.js, TypeScript, TailwindCSS, and ShadCN.
- RamadanGuide** [GitHub](#) [Live](#)
 - Developed an AI-powered Ramadan chatbot with Next.js, Tailwind CSS, Vercel AI SDK, and Gemini API for real-time guidance.
 - Designed an intuitive interface delivering daily duas, Taraweesh tips, and answers to common Ramadan queries.
